

Scholarship Application Form – Strings by the Sea

Strings by the Sea is committed to welcoming and including all students, regardless of family income. In order to be able to continue this policy, we must ask that only those families who are experiencing true financial distress apply for our very limited number of Partial Tuition Work Scholarships or our extremely limited number of Special Circumstances Full Tuition Work Scholarships. Due to the expenses associated with holding a music camp, we depend on full tuition payments from all those who are able to do so. Partial and Full Tuition Work Scholarships are strictly reserved for those families who, without these options, simply would have no means to send their children to Strings by the Sea. We thank you for your help in making sure that no child is left out because of lack of funds. If you have any questions or need further clarification, please do not hesitate to call Karla Holland-Moritz at (858) 277-7543 or Glen Campbell at (619) 287-9826.

All families who wish to apply for a Work Scholarship (Partial Tuition or Special Circumstances Full Tuition) **MUST** follow the steps below. (Viola Scholarship applicants do not fill out this form, but follow the instructions for Viola Scholarship applicants).
